We inspire Our vision from the ideas and visions of **Sheikh Mohammed bin Zayed Al Nahyan**, President of the United Arab Emirates and **Sheikh Mohammed bin Rashid Al Maktoum,** Vice President and Prime Minister of the UAE and Ruler of Dubai "may God protect them".

Sheikh Mohammed bin Zayed says that"The UAE economy is today among the most powerful and growing economies,God has blessed us with rich and varied resources, especially our human resources. Where The UAE has a distinguished wealth of young and youth workforce.More than ٢٠٠ nationalities actively participate in the growth and development of our economy. He believes that "the role of the private sector is pivotal and must be revitalized and increas its contribution to the the economy development ."

Sheikh Mohammed bin Rashid considers that"Since its establishment, the UAE has succeeded in providing a model for distinguished countries, And within a short period of time, by measuring the age of peoples, it was able to establish its position as a global destination for money and business, It occupied the first positions on global competitiveness indicators as a result of implementing a clear policy based on rooting the approach of excellence and creativity in all fields.

And he stresses that the development experience of the UAE is available to all, "and our doors are open to brotherly and friendly peoples."

Shaikh Suhail Ali saeed Al Maktoum
President
